Academic support services for NYC DOE Middle and High Schools

Study Skills | Regents Prep | SAT Prep | Teacher Professional Development | Parent Engagement Programs

PROFILE & CORE COMPETENCIES

S4 Study Skills is a certified NYC and New York State MWBE providing structured academic support programs to NYC public schools. Since our 2010 founding, we have served 10,000+ students.

We address a persistent gap in school support: students who lack the foundational learning skills and exam readiness needed to succeed, and teachers who need practical, research-backed strategies to close that gap.

PROGRAMS & SERVICES

Study Skills Executive Function Workshop:

Our flagship program teaches students how to learn through note-taking, time management, organization, test preparation, and reading comprehension, using our proprietary curriculum developed and refined over 16 years of classroom practice.

Regents Prep — All Subjects

Diagnose. Track. Measure. Analyze. Predict.

From the first session to exam day, we help students build readiness across every Regents subject. Our new diagnostic methodology — tracking, measuring, and predicting outcomes with documented precision — is rolling out first in Algebra 1 and ELA.

SAT Prep & College Readiness

Strategy. Practice. Confidence.

Diagnostic testing, personalized instruction by section, and proven test-taking strategies.

Teacher Professional Development

Hands-on PD sessions equipping educators with research-backed strategies and classroom-ready frameworks, delivered using S4's proprietary PD Workbook.

Parent Engagement Programs

Interactive workshops in English and Spanish, equipping families with practical strategies to support academic success, delivered simultaneously by a dual-presenter team.

WHAT OUR PARTNERS ARE SAYING

*"The programming offered is **engaging, practical, and immediately applicable**. Families leave with valuable information and concrete strategies they can put into practice right away. Even more rewarding is hearing from them later and learning about the successes they've experienced."*

Mariela Chevy
Substance Abuse Prevention
Intervention Specialist
Thomas A. Edison CTE HS, 28Q620

*"S4's Regents Prep program helped bridge learning gaps while fostering a positive attitude. Our students felt **confident and better prepared** for their exams. We will certainly be using S4 Study Skills again next year!"*

Tanya Dale-Pineiro, LCSW
Marie Curie High School, 10X237

*"We are pleased that 70% of the students enrolled in S4's ELA Regents prep program met New York State graduation requirements on the ELA Regents Examination. The program effectively supported our **English Language Learners and students with disabilities**, and S4's instructor was experienced, knowledgeable, and deeply committed to our students' success. We look forward to partnering with S4 again."*

Lisa Terrero, Assistant Principal
High School of Sports Management
21K348

*"S4 Study Skills provided targeted, small group and individual academic intervention for a focus group of students. The teachers were flexible and communicative, and they provided data-based instruction to prepare our students for Regents examinations. We are happy to share that **90% of our students earned higher and/or passing grades** after working with Michelle's teaching staff. We look forward to our continued partnership."*
